

HEALING LEAKY GUT WITH CARBON 60:

Your Guide to Fighting Inflammation & Fatigue

Dear Friend,

We hope you enjoy this FREE e-book, **Healing Leaky Gut with Carbon 60: Your Guide to Fighting Inflammation and Fatigue.**

In this book: You'll learn how Carbon 60 (C60), a free radical scavenger and powerful antioxidant, works at the cellular level to neutralize oxidative stress and toxic free radicals that speed up the aging process.

You'll learn how to incorporate C60 into your daily routine for **increased energy, mental clarity, a balanced immune and inflammatory response, and improved mood and overall well-being.**

As we age, our body's ability to produce its own antioxidants drastically declines, which increases the oxidative burden your cells are under. That's why antioxidant protection is especially important for those over the age of 40 or for those with high exposure to free radical damaging factors such as leaky gut.

But why should you care about oxidative stress? Oxidative stress, aka "free radical damage", is a significant factor in most chronic illnesses and inflammatory conditions.

C60 lifts the oxidative burden the cells are under so they can do their job...leading to more efficient energy production, hormone production, stem cell production, and immune cell production. This allows the body to do what it was designed to do...heal itself naturally.

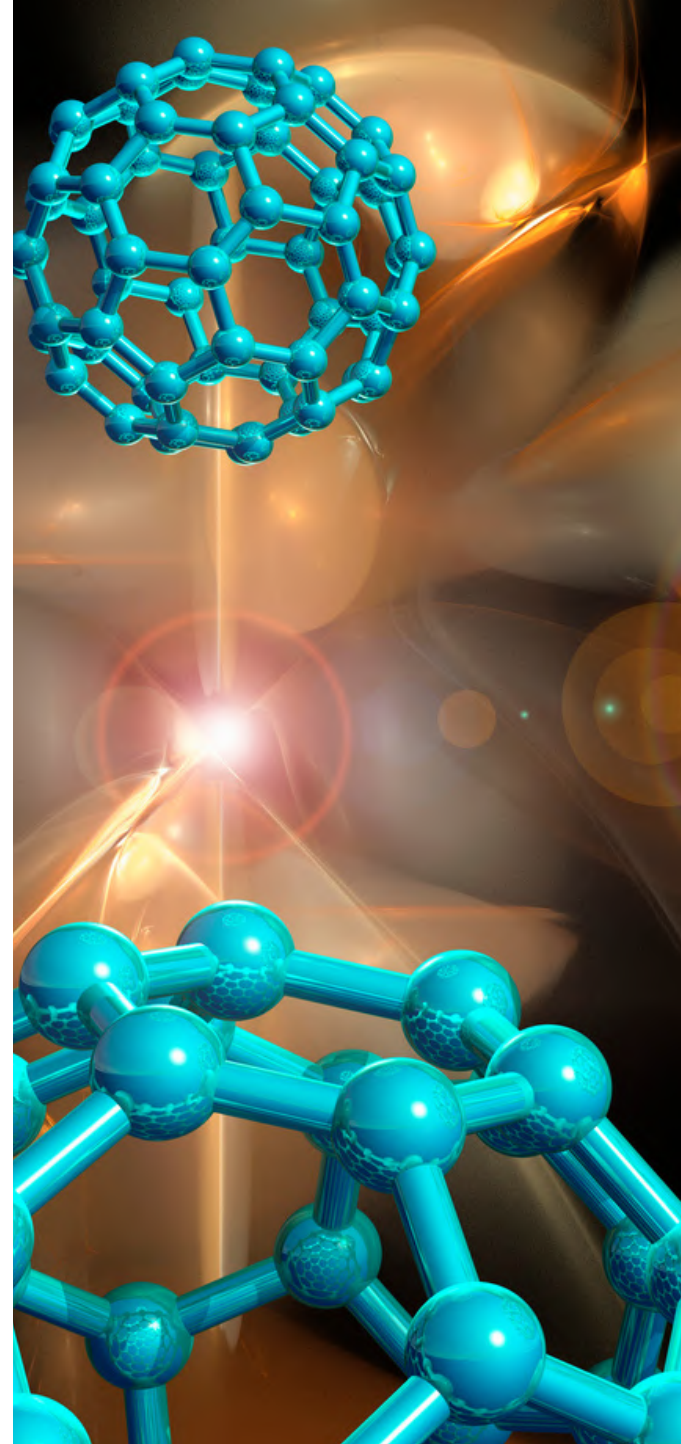

Most users of C60 note an increase in energy and mental clarity within 30 days of daily use. With longer use, other benefits realized can be quite profound...

Please continue reading for more information about this Nobel Prize-winning super antioxidant!

WHAT IS C60?

- “C60” is short for Carbon 60. It’s a molecule shaped like a soccer ball and characterized by those who’ve studied it as a “free radical sponge”.
- C60 is one of the most powerful antioxidants ever discovered.
- C60 is the only molecule of a single element that forms a spherical cage.
- Its cage-like structure gives C60 the unique ability to neutralize free radicals and reset itself again and again.

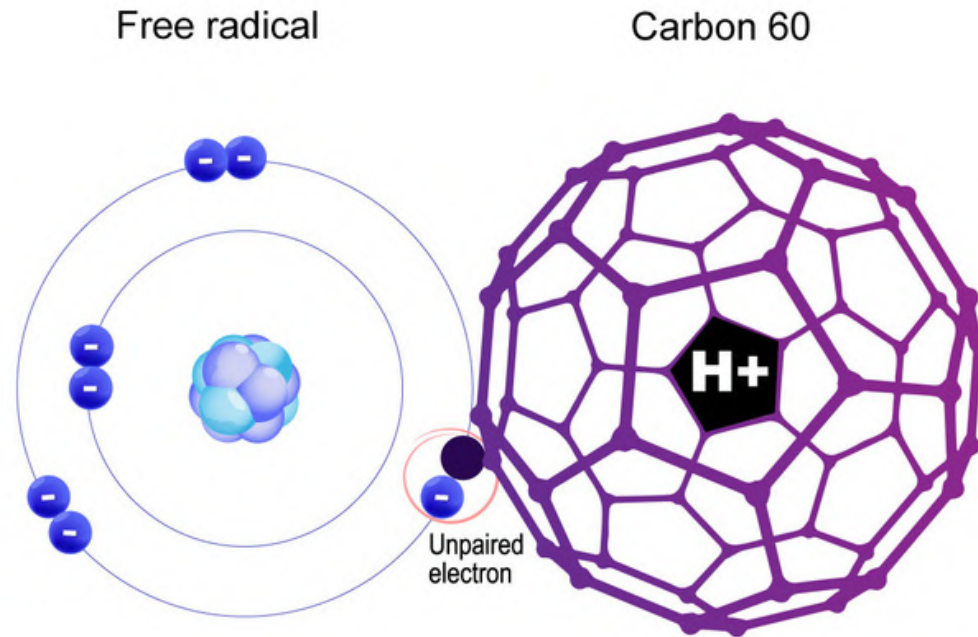

DID YOU KNOW?

C60 has an antioxidant efficacy several hundred-fold higher than conventional antioxidants like Vitamin C.
That's a lot of orange juice!

HOW C60 NEUTRALIZES FREE RADICALS

C60 neutralizes oxidative radicals by taking away a free electron.
Unlike other antioxidants, C60 can reset itself again and again.

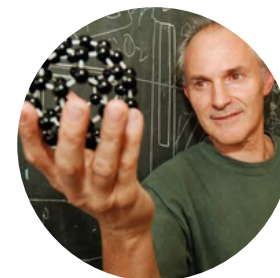

HOW WAS C60 DISCOVERED?

The molecule was originally hypothesized to exist by American architect, systems theorist, author, designer, inventor, and futurist Buckminster Fuller. In 1979, he predicted the existence of the C₆₀ carbon molecule and that it would be used in medicine in the future.

HOW WAS C60 DISCOVERED?

In 1985, C60 was discovered by scientists Harold Kroto, Robert Curl, and Richard Smalley. They were trying to determine the decades-old mystery of what molecule was absorbing infrared light in interstellar space. Kroto was convinced that these unusual spherical carbon molecules had been created in the atmospheres of giant red stars.

WHERE DOES C60 COME FROM?

**NOT ONLY IS C60 FOUND IN NATURE, BUT IT
VERY LIKELY PREDATES LIFE ON EARTH.**

C60 is naturally produced by dying stars, called red giants, and it can be found in meteor impacts, lightning strikes, and very tiny amounts can be found in the burnt wicks of candles.

WHY DO PEOPLE TAKE C60?

- Nobel Prize-winning free radical "sponge"
- Lifts the oxidative burden at the cellular level
- Optimizes mitochondrial function
- Increases energy, mental clarity, & stamina
- Promotes a balanced immune response
- Supports athletic performance & recovery
- May help mild memory loss associated with aging
- Promotes skin vitality & hair growth
- May lessen the appearance of fine lines and wrinkles when applied topically

IS ALL C60 THE SAME?

No, all C60 products are NOT created equally.

Unfortunately, due to a lack of regulation, some companies hoping to cash in on the C60 boom are offering low-quality products. In fact, some of these products have been found to have little to no actual C60 in them. Just seeing the letters C60 on a package is not enough. Consumers need to know who they are buying from and who is making the products.

As a company founded by a biogeochemist and research scientist, we are dedicated to improving the lives of our customers and we make product quality our top priority. C60 Purple Power has earned a reputation as the #1 most trusted C60 brand, and we are leading the way and setting new standards in the C60 industry.

HOW

C60 PURPLE POWER LEADS THE INDUSTRY

Our products are manufactured in an FDA-compliant facility. Most importantly, our C60 is purified through sublimation and is never exposed to solvents - which differentiates us from nearly every other brand.

We also use the highest quality, 100% Certified Organic, healthy oils. Our products are third-party tested for purity, concentration, and bioavailability.

HOW SHOULD YOU TAKE C60?

**What's the right amount of C60 to take?
And at what frequency?
And what delivery system?**

HERE ARE SOME HELPFUL TIPS TO GET YOU STARTED

- Start with a low dose and increase slowly. Think of this process as slowly introducing the antioxidant to the body.
- The most effective C60 serving size depends on several variables, namely age, weight, and state of overall health.
- While some people may feel immediate results, it is recommended that users take C60 daily and increase or decrease their dosage to achieve desired results.
- Try our different C60 products for their variations in taste and concentration. Refer to our product labels for the total amount of C60 per bottle, along with the mg per serving.
- Please consult your doctor or healthcare professional for further information. We are not a medical facility and cannot provide others with medical advice.

SUGGESTED DOSAGE

The following C60 dosage chart provides guidelines on how to adjust your intake based on your body weight. However, everyone's different so we recommend you experiment for yourself.

| WEIGHT | BEGINNER DOSE | MAINTENANCE DOSE | PERFORMANCE DOSE |
|---------|---------------|------------------|------------------|
| 100-160 | 1/2 tsp | 1 tsp | 2 tsp |
| 160-220 | 1 tsp | 2 tsp | 3 tsp |
| 220-280 | 3 tsp | 4.5 tsp | 6 tsp |
| 280+ | 4 tsp | 6 tsp | 9 tsp |

3 teaspoons = 1 tablespoon

WHICH CARRIER OIL IS RIGHT FOR YOU?

Avocado Oil is preferred by those with more sensitive digestive systems, or who prefer a somewhat more easily digested fat.

MCT Coconut Oil is preferred by those with glucose imbalance issues and athletes for extra energy.

Extra Virgin Olive Oil is preferred by those who want the benefits of a Mediterranean Diet and are looking to balance cholesterol levels.

PUT SOME C60 IN IT!

You don't have to take your C60 oil plain. Try adding C60 oils to your favorite coffee drink, sparkling beverage, or smoothie!

Our C60 in MCT Coconut Oil comes in three delicious flavors: Organic Cinnamon, Organic Orange, and Organic Peppermint.

VIRGIN CRANBERRY ORANGE SPRITZERS

Ingredients

- 3 cups unsweetened cranberry juice, chilled
- 2 cups orange juice, chilled
- 4 cups club soda, chilled
- Frozen cranberries in place of ice
- Orange Flavored C60 Purple Power
- Orange slices for garnish optional

Instructions

- In a large pitcher, mix cranberry juice and orange juice.
- Add Club Soda, frozen cranberries, and Orange Flavored C60 Purple Power when ready to serve.

WATERMELON MINT INFUSION WITH C60

Ingredients

- ½ gallon jar of filtered or sparkling water
- ½ a small watermelon chopped
- 2-3 sprigs of fresh mint
- 1 dropper full of Peppermint Flavored C60
- fresh lime juice

Instructions

- For best results – let the infused water sit in the fridge for 24-hours before serving.
- Then, squeeze in some fresh lime juice and add your C60! (You could infuse your water with the lime, but it gets bitter as it sits if you leave the peel on).

SUPER ANTIOXIDANT CHAI LATTE

Ingredients

- 16 oz of warm water
- 1 tbsp loose leaf black tea
- 1 tsp Cinnamon Favored C60
- 1 cup milk
- honey or agave (to taste)
- 2 tbsp chai spice mix:
- 3 tbsp ground cinnamon
- 1 tbsp ground cardamom
- 1 tbsp ground ginger

Instructions

- Combine chai spice mix and water and bring to a boil.
- Reduce heat and simmer for 15 minutes.
- Add loose leaf black tea.
- Turn off heat and steep for 3 to 5 minutes.
- Strain through sieve and return to pot.
- Add milk and C60 Purple Power.
- Sweeten to taste.

FAQs

▶ What is C60?

“C60” is short for Carbon 60, a molecule found in nature and considered to be one of the most powerful antioxidants known.

▶ What is C60 good for?

C60 is a powerful antioxidant that lifts the oxidative burden at the cellular level. This allows the mitochondria to function more efficiently, enhancing energy production in the cells. C60 is good for humans and their pets.

▶ How much C60 should I take?

Everyone is different. C60 Purple Power recommends starting your desired product and using it for a few days. After regular daily use, you can adjust your dosage to achieve your desired results. Start low and increase slowly.

▶ Will C60 oil affect my medication?

If you are taking any medications, we recommend you consult with your physician prior to using C60 products. For the safest and most effective use of C60, use sublimated C60 products from a trusted manufacturer like C60 Purple Power.

FAQs

▶ Why is C60 Purple Power better than other C60 oils on the market?

C60 Purple Power C60 oil is a premium option from a brand that sets the gold standard for quality control in the industry. We use sublimated, 99.99% pure C60 (never exposed to solvents). Each of our products has been tested by a third-party laboratory for purity and quality. You can check the results of this test via a QR code on our 4 oz, 8 oz, and 16 oz packages.

▶ Who should not use C60?

If you are pregnant or nursing, or using blood thinners, we do not recommend using C60. Please contact your healthcare provider with any questions.

▶ Does C60 have a stimulating effect?

C60 is considered stimulating, but not in the way that caffeine is. Rather, it has to do with the body's own energy production which may ramp up when the oxidative burden is lifted by a powerful antioxidant like C60. We recommend consuming C60 as part of your morning routine as some people do report that it has an energizing effect.

▶ Is C60 good for your skin?

In a 2010 human study, C60 was found to lessen the appearance of fine lines and wrinkles. Additional studies have found that C60 was effective at protecting skin from UV damage, even after sun exposure. C60 may be applied topically. We recommend C60 in avocado oil for topical use.

▶ Scavenges free radicals and lifts the oxidative burden

C60 was found to be protective against free radical damage caused by induced toxins. [C60 Carboxyfullerene Exerts a Protective Activity against Oxidative Stress-Induced Apoptosis in Human Peripheral Blood Mononuclear Cells](#)

▶ Several hundred times more powerful than other antioxidants

C60 is characterized as a "free radical sponge" with an antioxidant efficacy several hundred-fold higher than conventional antioxidants. [The Applications of Buckminsterfullerene C60 and Derivatives in Orthopedic Research](#)

▶ Promotes healthy immune function

C60 was found to enhance the production of immune cells, such as lymphocytes (white blood cells). [Immunostimulatory properties and enhanced TNF- alpha mediated cellular immunity for tumor therapy by C60](#)

▶ Promotes a balanced allergic response

In a 2007 study, C60 was found to inhibit allergic response, and researchers believe it may play a role in controlling allergy-related inflammatory conditions. [Fullerene Nanomaterials Inhibit the Allergic Response](#)

▶ Supports energy, stamina and athletic performance

This study demonstrates how C60 promotes energy production and mitochondria efficiency by neutralizing oxidative stress and enhancing ATP production. [A biologically effective fullerene \(C60\) derivative with superoxide dismutase mimetic properties](#)

▶ Promotes hair growth

C60 may be effective at combating hair loss. In this 2009 study, C60 was found to promote hair growth. Researchers believe it does this by protecting the cells around hair follicles from oxidative damage. [Fullerene nanomaterials potentiate hair growth](#)

▶ Protective against UV damage

In 2010, C60 was found to protect human skin cells against UV damage. [Fullerene-C60/liposome complex: Defensive effects against UVA-induced damages in skin structure, nucleus and collagen type I/IV fibrils, and the permeability into human skin tissue](#)

▶ May lessen the appearance of wrinkles

In this 2010 double-blind, human study, it was found that when applied topically, C60 was effective at reducing wrinkles. [Fullerene is effective against wrinkles](#)

C60 101 BASICS

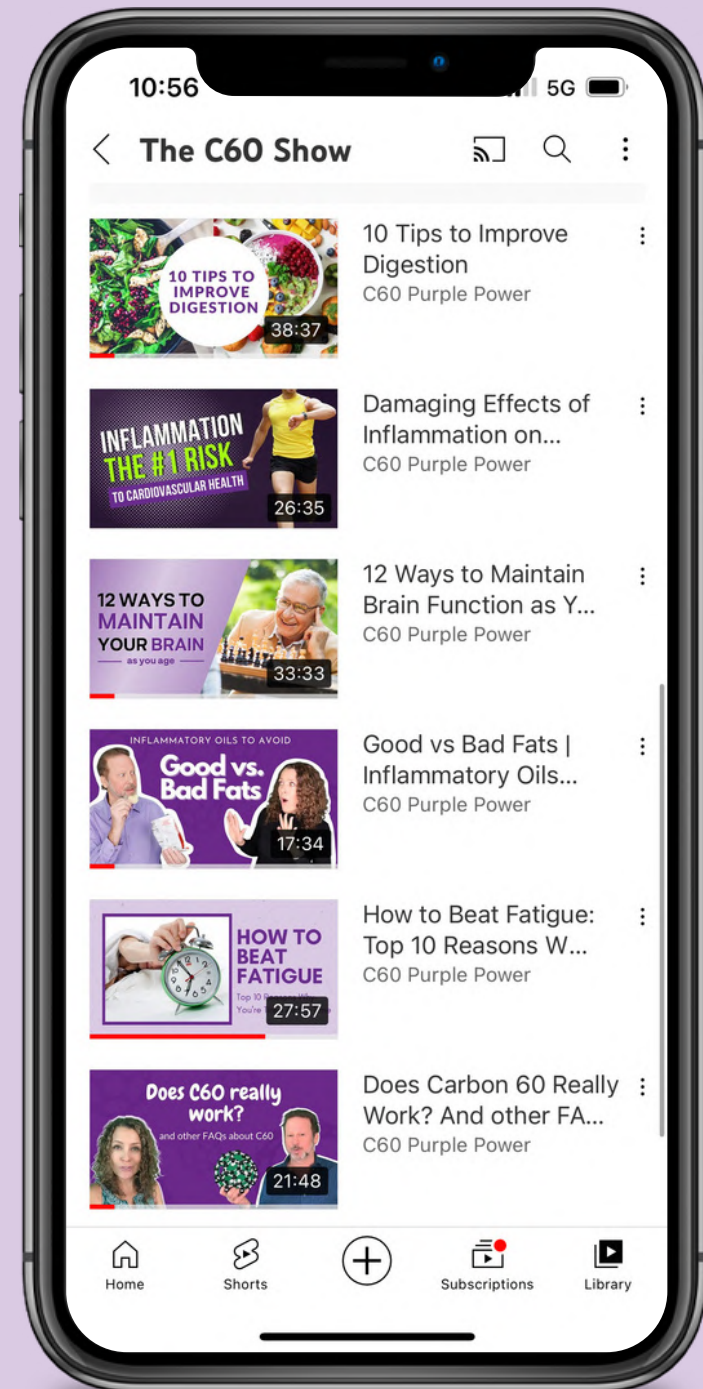

- ▶ Antioxidants are your body's way of defense against oxidative stress. But, as you age, antioxidant production declines, accelerating the aging process. C60 is thought to be the most powerful antioxidant ever discovered.
- ▶ Not only can C60 help maximize the efficiency of the cells in producing energy, but it may also provide cellular protection against many toxic environmental factors that contribute to free-radical damage.
- ▶ All C60 and all C60 products are not the same. The process of purifying and formulating C60 products can greatly affect their potency, quality, and effectiveness. For the safest and most effective use of C60, use sublimated C60 products from a trusted manufacturer like C60 Purple Power.
- ▶ C60 Purple Power is the industry leader in quality. Our 4 oz, 8 oz, and 16 oz bottles include a QR-code on the box, which when scanned, provide you with your product's lab results.

I have been taking C60 for about 2 years now. My skin has cleared up very nicely, and I have a lot more energy than I did before starting C60 Purple Power. I'm also looking younger - my friends can't believe I'm actually 70 years old! They say I look more like 50!

Susie S. | ★ ★ ★ ★ ★

“It's been 15 months. Great energy, mood, and immunity boost! Feeling healthier by the day!
And I love C60 MCT coconut!”

Melanie S. | ★ ★ ★ ★ ★

“I’ve been taking C60 Purple Power for well over a year. There are numerous improvements I’ve seen firsthand... including great changes with my digestion, skin, recovery/energy, vision, nails, hair and perhaps most importantly... mental clarity. Yes, it’s not cheap, it’s Priceless!”
